### HOUSING ARRANGEMENTS

We have some variety in accommodations at Camp, and we would like to make everyone as comfortable as possible. Please indicate your preference below to help us with cabin assignments. The newer cabins work best if they are shared, so if you are willing to share, please indicate that. We will do the very best we can in making assignments based on numbers and the needs of our campers.

\_\_\_\_\_ We/I would like to share a cabin with \_\_\_\_\_.

We/I checked with them and they agreed to share with us/me.

(\*Please have them indicate your name on their registration form.)

\_\_\_\_\_ We are willing to share a cabin but don't have anyone in mind.

Please find people with whom we/I could share.

\_\_\_\_\_ We don't think sharing will work well for us.

\_\_\_\_\_ We/I would like to talk to someone about other options.
